They are only willing to take medicine on condition that it will make them well. Now there is one remedy whose effect is a certainty. It has been tried and tested in thousands of instances and has never once failed. It is called Smith's Tonic Syrup. Its principle was discovered by the eminent Dr. John Bull, of Louisville, Ky, it is pleasant to take, and possesses all the good medicinal qualities of quinine, but is free from all its objectionable qualities. It will cure chills and fever when quining falls. It will also prevent and cure colds, influenza, is grippe, etc. Its influence is positive, and it is a remedy worthy of trust
